Notice on eSI submission for custom manifestation

Dear Valued Customer,

Please note that *Cargo description* or *Marking* stated with "as per attached" in the ESI description or marking column is NOT acceptable for all ESI submission with effect from **15 Feb 2022**. Kindly ensure to input the full shipment details for proper manifesting into the BL to meet the Export / Import Custom formalities.

File that was attached to ESI attach box with reference to the image below, will not be attended as we deem that it is not required for manifestation.

If you face any issues, please feel free to approach any of our Export Documentation staff or via our Live Chat agent on <https://sg.one-line.com/>. For other commercial matters, please contact your ONE sales representative via their respective email addresses.

Once again, we would like to thank you for your support and confidence in ONE and look forward to continuing this partnership with you.

Thank you.

Yours sincerely,
